Additional Requirements

Eligible applicants will be required to:

1. Provide a minimum of a 3% down payment, the source of which cannot be a loan or a gift of the sales transaction.
2. Prior to close of escrow, participant(s) must provide Home Buyer's Seminar certificate of completion for all three classes (Home Buying Process, Budgeting, Home Maintenance/Good Neighbor), for a total of 8 hours of class training. Selection of a Home

The home selected must be located within unincorporated Placer County (No homes within an incorporated area of Placer County such as Roseville, Rocklin, Loomis, Auburn, Colfax, etc. are eligible). For information on other housing programs:

Roseville www.roseville.ca.us/housing,

Rocklin www.rocklin.ca.gov/government/development/housing,

Lincoln www.ci.lincoln.ca.us/home.cfm.

The home must be owner-occupied or the home must be vacant for a minimum of three months. For sale, rental property, occupied by a tenant is not eligible for the County's Assistance Program, unless the current tenant is the home purchaser.

Type and Condition of Home

Single-family dwellings, condominiums, half-plexes, and manufactured homes on permanent foundations are eligible for purchase under the Program. Any dwelling purchased with a loan under this Program must be of appropriate size and number of bedrooms for the number of persons in the purchaser's household.

The County will inspect the dwelling for compliance with Housing Quality Standards (basic health and safety requirements). Any violation of these standards must be corrected prior to County's final approval of a loan for the unit. (NOTE: Exceptions can be made if homebuyer is using 203(k) financing, for the first mortgage. 203(k) is a federally funded program which allows the homebuyer to finance both a mortgage and a rehabilitation loan into one primary loan.)

Purchase Price

The participant's maximum purchase price will be calculated based on the maximum first mortgage amount, down payment and County loan.

How to Apply

Fill out an interest form. When we have received your completed interest form and you meet the program requirements you or your lender will be sent an application packet.

Loan Terms

The County's 0% loan is a deferred, shared appreciation, 30-year loan, secured by a promissory note and deed of trust. The loan for the first mortgage **must** be a minimum 30-year, fixed term loan, an exception may be made when combined with a USDA Rural Development loan.

The County's note becomes due and payable if the home owner defaults on the terms of the loan, sells the property, rents the property, no longer owner occupies the property, adds someone to title without the County's authorization, changes the use from single family residential, or 30 years, which ever occurs first. The note becomes due and payable upon refinance, if the refinance is not approved by the County or the refinance exceeds the homeowner's equity at the time of refinance.

Monitoring

The County will monitor annually to ensure the home has remained the program participant's primary residence. This monitoring may require contacting the homeowner annually or the homeowner providing an annual signed certification to the County.

Recapture of Investment

Term: The Promissory Note shall be for a term of Thirty (30) years at which time all unpaid principal and shared appreciation remaining will be due and payable. Said maturity shall be on the same day of the year as the Date of the Note.

Shared Appreciation: The County will share a portion of the net profit the purchaser would make in subsequent sales, based on the original 2nd mortgage value divided by the market value of the home. The note will be due and payable upon sale of the property, change of use, unapproved refinance or change of ownership.
